DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 2/4/2004 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

2. Claim 1-12 are allowed.
3. The following is an examiner's statement of reasons for allowance:

Independent claims 1 & 7 are allowable over the Prior Art of Record since the cited references taken alone or in combination do not teach or suggest "*an area for registering information indicating a start position for inverting or non- inverting data of the servo address information formed between the servo detection pattern and the servo address information of the servo signal, wherein the servo address information has a first section and a second section each containing a predetermined number of bits, wherein when all of the predetermined number of bits of the first section contain the same "0" or "1" and a beginning bit of the second section begins with the same "0" or "1" of the first section, the second section is inverted and the beginning bit of the second section is registered in the area as a start position of inversion.*"

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure: Weng (US 4,949,200); Malone Sr. (US 6,583,943), Greenberg et al. (US 5,596,460); Gold
